

Aloha to our membership,

There have been several discussions regarding the upcoming elections at the Point. A few facts first.

- **There is only ONE position available for election on the AOA Board this time around**
- **There are TWO positions available on the VOA Board**
- **It is in the best interests of DRI if there are large numbers of owners receiving votes in the election because it makes it easier for DRI to use the proxies which they hold to maintain their control over the board(s) and therefore OUR resort.**

Very soon, you will be receiving in the mail your ballot for the elections to the Board of Directors. It is important that you either vote or, assign your proxy vote - DO NOT DO NOTHING.

ALSO IMPORTANT:

1. **COPP is recommending that for the AOA, that all votes be cast for ROBERT HALEM.**
2. **COPP is recommending that for the VOA, that all votes be cast for ROBERT HALEM and ROBERT CUMMINGS.**
3. **If you do not intend to cast your ballots yourself, we ask that you assign all PROXIES to RICHARD OKE, who will attend the meeting and vote your Proxy as noted above.**

Note: as soon as the Ballots come out, we will send out a Newsletter with complete instructions and as well, post these instructions on our website. Please wait for this Newsletter before voting or assigning your proxy.

Only by re-taking the boards which run our resort can it once again become the vacation experience which we were all looking for when we made our purchases there. It is OUR resort and we DESERVE to have our hopes and dreams preserved!

President
